### Communication and Language, Personal, Social and Emotional Development and Physical Development, Literacy, Maths.

This week's topic has been "Animals- Life Cycles" and the children were very excited to learn interesting facts about animals like sharks, kangaroos, penguins and snakes. They have enjoyed lots of creative and writing activities around this topic. In Maths, they have practiced addition and subtraction within 10 and learnt to count beyond 10. The children have also been very busy decorating their classrooms for the King's coronation. On Friday, the children enjoyed a special lunch and various creative activities in celebration of King Charles III coronation. The most exciting part was working together and creating a piece of art that will go in the time capsule for the future generations to find.

Mrs Saftoiu's group- We have enjoyed writing more complex sentences describing given images and recapping the High Flying Words. The children are encouraged to use capital letter, finger spaces and full stop.

Mrs Carew's group-
