### Important Information/Reminders

- As more and more of our children become early readers, we will be sending home book banded phonics books for the children to enjoy at home. Please enjoy these stories, focusing on the children's segmenting (breaking words down into sounds) and blending skills (blending the sounds together to read the word).
- Please, remember to send in the story books in, on Friday, as not many are coming back and we will not be able to give out a replacement.
- PE Friday- Please ensure PE kits are in school weekly for children to take part in sessions fully.
- Milk is provided free until the age of 5, at which point it can be purchased at a small price. However, all children must be signed up to receive milk- <https://www.coolmilk.com/parents/>

### Communication and Language, Personal, Social and Emotional Development and Physical Development, Literacy, Maths.

This week, we have continued the topic "Our Planet". The children have talked about how they can help the animals and the importance of recycling for wildlife. They have been exploring the rainforest and who lives there and discussed the effects of deforestation on the planet. On Thursday, they have listened to the Rainforest story and found out lots of interesting facts about tropical animals. The children have been very excited to have the chicks in and they took turns to hold and to look after them.

Call 999

This week our topic is all about people who help us. If we are ever in trouble and need help we can call 999. Practise with your grown-ups what you do if there is an emergency. Where is the phone? What do you need to say? Where do you live?

Next week our topic will be:

**“People who help us!”**
