Important information-

Miss Turner and Mrs Kalaydhzieva are very excited to see you all in September. iPads have been sent home and they need to be charged and ready to use in September. Miss Turner and Mrs Kalaydhzieva will share more information about how they will be used at the Meet the Teacher Meeting in September.

Stars of the Week

This week our stars of the week are all of our lovely Parents. Thank you for all the support you have given Mrs Saftoiu and Mrs Carew, this year and for all the care and nurture you have given your little ones!

Communication and Language, Personal, Social and Emotional Development and Physical Development, Literacy, Maths.

This week's topic has been "Transition- moving on, up!". On Monday, Reception children officially graduated in a special ceremony, proudly watched by their parents, grandparents, carers and siblings. The children impressed us, all with their maturity when talking about their aspirations and plans for the future and proved to be ready for the new stage in their school life. Throughout the week, they enjoyed a great variety of indoor and outdoor activities, in preparation for Year 1.

End of the year message.

We really can not believe we are saying goodbye today! We would like to thank every single one of you for your wonderful kind support this year. From the trips you have attended, the donations you have made, the kind gifts throughout the year and for your warm smiles every day! We hope you have a wonderful summer with your families! Come back and visit us next year!
Lots of love, The Reception Team x

These are words we can not sound out. We just have to learn them. Practice reading and writing these words. Can you find them in this weeks story book?

Miss Turner sent home a letter on Wednesday, asking the children to bring something special, from their summer break, to school in September, for a show and tell.
