As with any outing we need help from parents/carers/grandparents to walk to the church. If you are able to support us, please let Mrs Carew and Mrs Saftoiu know. Thank you.

Autumn 2

Curious Question.

I've learnt who I am and where I'm from, what about others and other places?

Our Learning Journey

It has been a fantastic week in Reception and Year 1, with the children taking part in 'The Bethlehem Bake-Off'. The children did an amazing job of putting on the wonderful show and we could not be prouder of them. We are very grateful to all the adults and families who came to watch. The children loved showing you what they have been working on and it came together beautifully.

In class this week we have begun our Christmas topic, with the children enjoying lots of different writing, maths, and creative activities. The children have impressed the adults with their fine motor skills this week, including their cutting skills.

Maths has been a recap week, focusing on, number bonds to 5, weight and 2D shapes.

Phonics

No new sounds have been taught this week, as we have consolidated the phonics sounds already learnt.

As we work on consolidating with reading and writing, we hope you are still using the Daily Practice Videos at home.
