### **Our Learning Journey**

We made it!

We have had a fantastic final week this week. The children have loved immersing themselves in the Christmas theme, taking part in various creative, writing and maths activities. The children loved their class parties on Wednesday and their Christmas lunch on Wednesday afternoon. On Thursday the children attended the end of term assembly and got to celebrate lots of wonderful achievements with the whole school. We hope that you all have a wonderful break with your families and we look forward to seeing you all in January.

We are blown away by the generosity of all your lovely gifts.

A huge thank you from all of us!

### **Phonics**

No new sounds have been taught this week, as we have consolidated the phonics sounds already learnt.

As we work on consolidating with reading and writing, we hope you are still using the Daily Practice Videos at home.

- Writing short phonetically plausible sentences about your holiday adventures.
- Watch and review the Phonics Practice Videos on Seesaw.
