Summer 2

Curious Question.

I've learnt about things that grow on our planet; now how can I take care of it all?

Our Learning Journey

This week our topic has been People who help us! The children have loved learning about the Police, the NHS and the fire brigade and the very important roles they do. We discussed how these are just 3 of many people/roles that help us. The children impressed us with their fantastic writing in Write Away, thinking about other people who help us.

In Maths this week we have continued with our class consolidation lessons. In Robin class, we have been focusing on our numbers beyond 10. The children have been focusing on counting 11-20. Counting objects and subitising beyond 10.

In Wren Class we recapped finding one more and one less than a number within 10, recognising 2D shapes and their characteristics and counting beyond 20.

Next week Wren class take to the stage for their first class assembly. Mrs Saftoiu and the children have been busy practicing their lines. Remember to have a go at saying your line confidently at home, ready for Thursday next week.

On Thursday the children took to the MUGA to take part in the Reception Sports day. We were so incredibly impressed with the teamwork and enthusiasm of all the children. The sun was shining brightly whilst the children took part in a number of races. A huge thank you to all the parents and families that came along and supported the event and an even bigger thank you for getting involved in the adult/ child race! The children absolutely loved it! Thank you to Friends of Ryelands for the refreshing and well-deserved ice poles at the end!

Home Learning

With Superhero week next week, we would like you to turn yourself into a Superhero! Some things we would like you to think about...

What would you wear? What is your superpower? Would you have an enemy? How would you save people?

On Wednesday next week, we will be dressing up at superheroes in Reception! Home made or shop brought, let's be superhero friends for the day!
