Church Carol Concert

We loved visiting the church this week to enjoy the Year 2-6 carol concert. It was lovely to see so many talented children performing. As always the children impressed us with their fantastic manners and behaviour outside of school. Well done, Reception!

Oasis 9 Habits Star of the Week

Compassionate, Self-Controlled, Joyful, Forgiving, Patient, Humble, Honest, Considerate and Hopeful.

- * This week the Star of the Week in Robin Class is **Bernie** for being **Considerate**. Bernie is such a kind and friendly member of Robin class, who is always helping her friends and the adults in the class. Great job Bernie!
- * This week the Star of the Week in Wren Class is **Akua** for being **Considerate**. Akua is a wonderful member of the class and a good friend to everyone. She has made great progress in all learning areas and has impressed us with all her hard work, this term. Well done, Akua!

Spring 1

Curious Question.

I've learnt about other people, has the world always been like this?

Our Learning Journey

We made it!

We have had a fantastic final week this week. The children have loved immersing themselves in the Christmas theme, taking part in various creative, writing and maths activities. The children loved their class parties on Thursday and their Christmas lunch on Wednesday afternoon. On Friday, the children attended the end of term assembly and got to celebrate lots of wonderful achievements with the whole school.

We hope that you all have a wonderful break with your families and we look forward to seeing you all in January.

We are blown away by the generosity of all your lovely gifts.

A huge thank you from all of us!

Phonics

No new sounds have been taught this week, as we have consolidated the phonics sounds already learnt.

As we work on consolidating with reading and writing, we hope you are still using the Daily Practice Videos at home.

Home learning

The most important home learning we would like you to do is share this wonderful festive season with your loved ones.

Below are some activities you can do to help consolidate this half terms learning.
