- Thursday 10<sup>th</sup> July- Reception Graduation- 9.15am School Hall, see flyer for more information.
- Friday 18<sup>th</sup> July- Last day of the school year.

### **Reminders:**

- Books are changed every Friday and we ask parents to write in children's reading records by the end of the week.
- Each child has a special plastic wallet containing the phase 2 and phase 3 sounds and the High-Flying Words, alongside a reading book. This is a book for your child to read or try to read. It can be changed every day, if the child has read it, or it will be changed automatically on Friday. If the book needs to be changed, the children will have to put the wallet in a special box, in the morning.

### **Oasis 9 Habits Star of the Week**

**Compassionate, Self-Controlled, Joyful, Forgiving, Patient, Humble, Honest, Considerate and Hopeful.**

- \* This week the Star of the Week in Robin Class is **Blanka** for being **Hopeful**. Blanka has worked incredibly hard recently with her phonics and this has really shown in the great writing that she is producing. We are very proud of you, Blanka. Well done!
- \* This week the Star of the Week in Wren Class is **Magnus** for being **Hopeful**. Since the beginning of the year, Magnus hasn't stopped to impress me with his fantastic attitude to learning and his hard work. He has impeccable manners and is a real role model to everyone in class. Well done, Magnus!

### **Our Learning Journey**

This week our topic has been Our Planet. The children have learnt about how they can help look after the planet by Reducing, Recycling and Reusing. The children enjoyed listening to the story 10 things to help my planet. This story sparked a great discussion about ways in which the children can help, from turning out the light when they leave a room, to walking to school, rather than travelling by car. Whilst talking about recycling, the children talked about how they each help to recycle at home, sharing their knowledge of the different bins and how they can help to reduce landfill waste by sorting their rubbish. The children enjoyed learning about what

happens to their rubbish once it is collected from their house.

This half term in Maths, we will be recapping our topics from the past year. The children have been recapping number bonds to 5 and 10, addition and subtraction.

### Phonics

The Phonics Fairy fun continued this week in Robin and Wren class! We continue to teach phonics daily. At Ryelands, we follow the BookWings Phonics scheme, where phonics is embedded through real books and the new sounds are introduced through story telling.

The children are now recapping and consolidating what they have learnt so far. This week, we have recapped **oi** and **ear**.

***We are focusing on getting the children to confidently use the digraphs and trigraphs learnt in their writing and becoming fluent readers.***

The High Flying Words the children have learnt are: **I, the, no, go, to, into, he, she, we, me, be, are, you, are, her, was, all, they and my.**

**Next week's topic is..**  
**The Rainforest**

### Home Learning

- Practice your **b** and **d** letter formation- some children are getting a little confused.
- Practice writing numbers 11-20, can you find these numbers around the house or on the street you live on?
