The 9 habits!

Every Friday we award a Star of the Week badge to one member of Robin Class and one member of Wren Class, for one of the 9 Oasis habits: **Compassionate**, **Self-Controlled**, **Joyful**, **Forgiving**, **Patient**, **Humble**, **Honest**, **Considerate** and **Hopeful**.

- * This week the Star of the Week in Robin Class is Eva for being considerate. Eva has been a wonderful friend this week, she has shown kindness and consideration when playing with her new friends. She is a lovely role model for her friends. Well done Eva.
- * This week the Star of the Week in Wren Class is Hugo for being self-controlled. Hugo has worked hard this week to come in a get settled ready for learning quickly in the mornings. He has shown that he is thoughtful and resilient – Well done Hugo.

Our Learning Journey

This week, we have continued our theme and have focused on what makes us special. The children have loved talking about themselves! We have introduced carpet spaces and talk partners; the children are settled into this routine during carpet time and impress the adults every day when sharing their ideas with a friend. We have learnt about one another's families and interests. Many children shared their love for dancing and playing games.

On Friday, we enjoyed our second PE session. This half term, we are focusing on gross motor movements and spatial awareness. Although the children do not change at school for PE anymore, we continue to encourage the children in their independence in dressing themselves. During PE the

children remove their shoes and socks, the children are working hard on the skill of putting their socks on independently.

As we come to the end of our third week, we reflect on how settled the children are in class. Well Done, Robin and Wren Class! We would like to thank you all for your ongoing support as we get the year up and running.

Next week we will be sending home QR codes for you to access the Seesaw app. We look forward to sharing the wonderful photos we have taken of the children so far this year. Stay tuned!

Last week's home learning-

For this week's home learning task, we would like the children to draw a picture of their family.

We would also like the children to bring in a photo of their family. We will be creating a family tree display and would like to include as many pictures as possible.

This week's home learning-

Next week our topic is 'Houses and Homes', for your homework we would like you to take a walk around your local area and take pictures of the front doors you can see, if you can include the door number, even better!!

Next week, we are going to be having some fun exploring these. The more you find the more fun we can have!!

Do not feel you need to print your pictures; you are welcome to email them to the us via the school office using the following email address- office@oasisryelands.org with the subject **Wren/Robin homework**.
