* This week the Star of the Week in Wren Class is **Melany** for being humble. Melany is a wonderful member of Wren class, she works hard and tries her best even when she finds things tricky. Well done, Melany.

Our Learning Journey

This week in Reception, our topic has been People Who Help Us. The children have thoroughly enjoyed taking part in a wide range of activities linked to this theme. On Monday, the children learned about the fire brigade and the important role of a firefighter. On Tuesday, we explored the NHS, discussing the many wonderful people who work within this vital service and on Wednesday, the focus was on the police service, where the children learned about the role of a police officer.

Throughout the week, the children impressed the adults with their **creative writing**, as well as their speaking and listening skills during carpet sessions. Many children confidently shared real-life experiences they have had with these services, while also showing excellent listening skills by asking thoughtful and meaningful questions to their partners.

In Maths, Robin Class has been consolidating their understanding of 2D shapes, while in Wren class, the children have been exploring the concept of *one more* within numbers up to 20.

The highlight of the week was Sports Day on Thursday. It was wonderful to see all of the children taking part with such enthusiasm and enjoyment. A particular highlight for both children and staff was the parent race—thank you to everyone who took part! Most importantly, we would like to thank all those who attended and supported the event.

We have many more exciting events coming up, and we look forward to sharing these special moments with you soon.

Phonics

Within their independent learning, the children continued to demonstrate their segmenting and blending skills activities and have shown confidence in reading the familiar High Flying Words I, a, no, go, the, to, into, he, she, we and me, you and are, was, all, they, said, like, do and there.
