* This week the Star of the Week in Robin class is **Ailbhe** for being considerate. Ailbhe is a fantastic role model and member of robin class. She tries hard, shares her learning and is very humble. Well done, Ailbhe.
* This week the Star of the Week in Wren Class is **Rohan** for being compassionate. Rohan has been a good role model, worked hard, and impressed the adults this week.

Our Learning Journey

The children started their week with a visit to their new Year 1 classrooms and a morning spent with their new teachers. The children loved their time there, getting to know their new routine and adults. We had a fantastic lunch time enjoying the teddy bear's picnic. We loved seeing so many of you there and hope you had a chance to say hello to the children's new teachers. The rest of the week was spent trying to stay cool and enjoying this weeks topic, our interests. The children enjoyed talking about their favourite tv characters, movies they have watched and hobbies they enjoy taking part in. On Friday we enjoyed Tudor day, with the children taking part in two fantastic sessions. We met King Henry VIII and we learned a Tudor dance. We also learned how to meet and greet royalty and played games. We linked our learning back to our previous topic of castles and knight and the children loved seeing the visitors dressed up in costume.

Phonics

Within their independent learning, the children continued to demonstrate their segmenting and blending skills activities and have shown confidence in reading the familiar High Flying Words I, a, no, go, the, to, into, he, she, we and me, you and are, was, all, they, said, like, do and there.

Please return all reading books, reading records and reading wallets Wednesday 15th July.

Home learning

For the children's home learning this week, we would like them to think about their favourites. Their favourite game to play, teddy, clothes to wear, tv show to watch, movie, song, food. Create a favourites poster all about your most favourite things in the world.

Class parties Thursday 16th July

In the afternoon we will holding class parties where shared party snack contributions are welcome! We will be having an afternoon of games, music, dance and food.
